Dear NABBA Professionals,

RE: NABBA PROFESSIONAL DIVISION – 2017 COMPETITIONS AND REGISTRATION

The NABBA Professional Men's Division now comprises around 40 World and Universe Champions from around the globe and the 2017 NABBA World Championships in Samara Russia on June 17th will see the introduction of the NABBA "trained figure" professional line-up for the very first time.

2017 is set to be another fantastic year for NABBA and especially the Professional Divisions. As you will no doubt be aware the two major events on the 2017 calendar are:

- The NABBA International World Champs, Samara Russia, 17 June 2017, and
- The NABBA Universe in Birmingham, England. (Women Pro undecided)

We encourage all NABBA female athletes to compete in Russia and support this inaugural Professional women's event and take advantage of 'guest posing' opportunities in the lead up. Where you are not able to compete, we still encourage you to attend if possible and/or help spread the word via your social media and personal networks. I am always encouraged to see that the camaraderie between our NABBA competitors is the true distinction of their professionalism.

As per our [NABBA Professional Division Regulations](#), a registration fee is payable by all competitors prior to competing as a professional.

The NABBA Professional Division registration fee remains at £100 for the 2017 season.

For your convenience, you are now able to pay this fee via PayPal via the NABBA International website here www.nabba-international.com/na_int_shop.html and I encourage you to do so well in advance of competing so as to avoid any last minute entanglements.

Once again, I would like to thank you for your continued support and I look forward to seeing you in Russia and England this coming year.

Kind regards,

Paul Byrne
PROFESSIONAL DIVISION DIRECTOR
